

6

Apply the Right Finish

Superdeck transparent stain is formulated for exterior use on any exterior wood surface including decks, fences, siding, outdoor furniture, shingle shakes, hot tub skirting and more.

Cetol SRD is a one-coat, translucent exterior wood finish for use in a variety of wood surfaces.

Australian Timber Oil penetrates deep into dense, resin-rich woods to accentuate natural wood depth and patina.

THE CAPISTRANO

1

Select Your Kit

THE CORONADO

Select this Design ☐

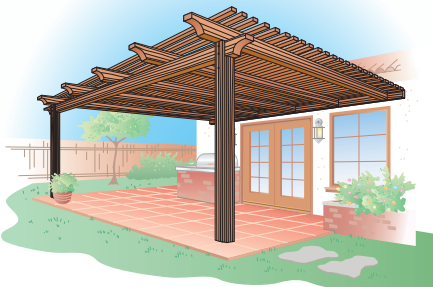

With 4x4 posts and 2x8 beams the Coronado offers a light open style cover while providing ample shade.

THE CATALINA

Select this Design ☐

4x4 posts with large main beams are further enhanced with 2x6 fascia. These subtle additions help to define a more substantial, finished look to our number one selling cover.

THE CAPISTRANO

Select this Design ☐

This all timber patio cover features a solid beam design. Heavy beams and rafters add a distinguished architectural flare to your backyard environment.

2

Select the Right Materials

☐ Rough Cedar

Western red cedar is a highly revered, durable wood that is naturally resistant to rot, decay and insects.

☐ Rough Redwood☐ Surfaced 'B' Redwood☐ Surfaced Construction Common

The warmth and rich luxury of genuine redwood is not only affordable, but adds great value to your home.

☐ Rough Doug Fir

Premium Exposed Rough Sawn or our structural surfaced grades. All products are carefully graded, and SFI certified.

Resawn Texture ☐ Yes ☐ No

Material is freshly resawn to unify board size and texture, giving your cover a fresh cut look!

3

Kit Size and Details
