Exclusively AY: Fusion Series

Personalize and customize the board style and color of your fence with the Fusion Series. Its unique design allows you to construct your fence boards horizontally or vertically within a sturdy aluminum frame, giving you greater ability to make our fencing your own.

Looking for something truly unique to enhance the beauty of your home? ActiveYards® offers custom fencing to meet your needs. From Cambium® Series fencing, Sequoia fencing or our Harmony program, we have the unique look you desire.

ActiveYards® has a fence for every customer's budget. With our fencing series, you can now find the perfect fence for your yard and your wallet. Consider these options when selecting your fence.

Haven Series

Home Series

Our Home Series, your Better option, feature some ActiveYards patented ingenuity technologies. In this series you will find our most popular styles and colors for any fencing solution you are looking for. The Home Series gives you the best of both worlds by exchanging a little "flair" for affordability, without compromising strength and function.

Harbor Series -

Our Harbor Series, your Basic option, has none of the ActiveYards patented ingenuity technologies, which means they share the same specifications as our competition's best products. These value product choices are still a considerable step up from settling for fence options that rot or rust.
