Backed by the industry's first
Stain and Fade Warranty

Fiberon ProTect Advantage sports a solid, flat bottom profile and is engineered with proven performance of patent-pending PermaTech® technology for durability, stain and fade protection. ProTect Advantage offers the co-extruded cap on three sides and is available in four beautiful colors—one solid color, Harbor Gray, and three multi-chromatic colors: Gray Birch, Chestnut and Western Cedar. These rich color tones have subtle streaking and realistic wood grain patterns that add beauty and dimension to any outdoor living space. ProTect Advantage offers exceptional stain and fade resistance for true, ultra low maintenance, warranted for 25 years. Complementary fascia and risers are also available in all four colors.

Actual products may vary from colors shown.
